ALL RISK STORAGE INSURANCE

At Storage King we understand that your belongings in storage are important to you, this is why we have been successful in putting together an insurance package in respect of the goods which you have in storage with us for a premium of only R45 per month per unit. This offer would grant cover on an All Risks basis for goods which you have stored in our warehouse up to a sum insured of R10,000 per unit (may be increased on request), this would give cover for the same perils as under a fire policy which is fire, storm damage, including theft which must be accompanied by forcible and/or violent entry or exit . The insurance covered by Storage King is limited to fire and water damage to the limited amount of R10,000 only and any additional cover needed should be taken out by you the customer.

YES

Please select yes if you require this cover and no if you do not.

IMPORTANT INFORMATION

The above quote is merely an estimate as the style, shape and size of your goods are unknown to us and the goods may not fit into the number of units we have estimated. Storage King's portable storage units are sized to typically hold 1 to 1.5 rooms' worth of furniture (or 50-60 medium boxes). We don't want you to worry about running out of space, therefore, should you order an additional unit and don't end up needing it, you won't pay for it. Longer items that are unable to fit into our units will be wrapped in a protective sleeve purchased from us and stored on one of our platforms at an additional rate of R205.00 Incl. Vat per calendar month. Any extra services provided to you by Storage King (extra units, delivery charges, loading charges, heavy duty locks, packing material, wrapping, packing and/or hoisting) will be reflected on the invoice rendered to you immediately after collection.

Self Store Option

You can also drop your goods off yourself at one of our conveniently located storage warehouses with our simple self-store option.

Kindly remember to inform us in advance of the following:

- Any weight, height and/or other restrictions at the collection address.

- Any access corridors, stairwells, lifts and common ground walkways into your premises which will not accommodate the easy removal of your goods by our crew.
- Any wrapping, packing of goods and furniture disassembling which will be required on the day.

This quote is generated assuming your goods are to be removed at ground level and that a 3.5 ton truck will easily be allowed to gain access within 20 metres of your doorway.

Tips:

- Remember to defrost all refrigerators and freezers and disconnect all water connections to washing machines and dishwashers prior to our collection.

We will make a provisional booking for you on a day of your choice but only payment in advance secures the collection day.

We trust that you are satisfied with the contents of the quote and await your favorable acceptance of the quote thereto. Please do not hesitate to call us on 0861 100 000 should you have any further questions.
